

REBEL '64

Dedicated to
MRS. SHELTON TAYLOR

We, the Senior Class of 1964, dedicate this edition of the REBEL to MRS. SHELTON TAYLOR. As a teacher, Mrs. Taylor has won a place of high honor and respect at North Duplin; as a person, she has the esteem of all who know her. We will always appreciate the advice, help, and devotion which she has always freely given to us.

Sunrise, the beginning of
day, leads onward to life.

In this edition of the REBEL we have tried to portray the various aspects of school life at North Duplin through many sunrises and sunsets.

Our school, which has been through only nine years of sunups and sundowns is pictured on page 5.

The annual staff, on pages 6-9, labored from sunup to sundown many days to complete this annual.

The administration and faculty, pages 9-19, have showered rays of knowledge upon us during our high school days.

Student life, illustrated on pages 19-42, lasts not only from sunrise to sunset but quite often after sunset.

Just as the sun is the center of the universe, so are the seniors the center of life at North Duplin. As the sun sets upon their high school days, it will rise again on a day higher and brighter than before. The 1964 Seniors are pictured on pages 43-54.

From Sunup to Sundown .

The underclassmen's sun has yet to reach its peak. Through hard work sprinkled with fun, their goal will also be attained. Pages 55-66 depict underclassmen who will be tomorrow's seniors and leaders.

Beams of light emerge on students from sports, pages 67-84, and organizations, pages 85-90. These two very important aspects of school life make students feel that they really belong and that they, too, have important contributions to make.

As the sun is necessary to the life of plants and animals, so are advertisements, pages 91-114, essential to the life of any annual. The warm contributions of many people made our annual possible.

These are the parts of our annual. As the sun slowly sets upon our high school days filled with labor, love, and pleasure, we have the REBEL '64 to remind us of all we have shared at North Duplin.

We will remember them." — Binyon.

The 1964 REBEL staff has worked very hard to present you with this edition of our annual. Much time and effort have been devoted toward completing this volume. But we know that our work would have been impossible had it not been for the splendid help and co-operation given to us by the faculty and our fellow students.

It is our hope that you will enjoy looking through the annual and that it will bring back many pleasant memories in future years. We have tried to present to you the REBEL '64 that will truly portray our school and be a credit to it.

The interest and guidance of our teachers and principal have helped us to obtain many of our goals in education. Thus, we have formed a sound basis for our future ambitions. We could not have done this had it not been for their kindness, patience, and wisdom.

Good citizenship and patriotism go hand-in-hand.

Work was started on the new gym during the summer and has continued through the early part of this year. When completed, it will provide many added facilities to aid in the physical growth and development of our students.

The completion of our new gym is symbolic of the great amount of progress and development that has been made by North Duplin since its beginnings.

The water fountain in the hall was given to the school by the Beta Club. It has been enjoyed by all of the students.

Fellowship among students is just one of the many joys of going to school.

"And, though the warrior's sun has set,
Its light shall linger round us yet,
Bright, radiant, blest" —Manrique

This year at North Duplin has been one of action and excitement. We are confident that we have tried to do our best, but that good sportsmanship was our highest goal.

We are all proud of our football team and the fine job they have done in representing North Duplin in the past year. Our boys have worked very hard during the many practices and should be commended for their efforts.

During this year, as in the past, our goal has been toward good sportsmanship, and this, perhaps, is the greatest accomplishment of all.

Friday, January 17, 1964, marked an important event in the history of North Duplin High School. This was the opening night of our new \$250,000 gymnasium. Large crowds attended to get a close-up look of this important building. The gym will be equipped with a portable stage and serve as an auditorium. In addition to the dressing rooms, treatment rooms, restrooms, etc., there is a classroom and bandroom combination in this large building. The exterior of the gymnasium follows the design of the lunchroom and agriculture buildings. We are truly proud of this fine addition to our school.

To feel that one "belongs" or is a part of something is a wonderful feeling. This is one reason why we have certain clubs and organizations in our school. Clubs and organizations are very helpful in that they promote many worthwhile projects and school activities.

We began our annual this year with willingness, but little knowledge of the long, tiresome, and tedious hours of work ahead. Only the combined efforts of a number of people could have made our annual possible. To all those who labored with us, we wish to express our gratitude.

A NOTE OF THANKS

To Mr. H. E. Grubbs for the many times he permitted us to do the necessary things or gave us a word of confidence and cheer.

To Mrs. Shelton Taylor, our advisor, whose energy, sound advice, and strong faith urged us on toward the goal. To each member of the faculty for the class hours you sacrificed that we might take pictures to meet deadlines.

To Mr. Charles Kraft for the time and energy he spent to take our pictures.

To Mr. J. B. Edwards of Hunter Publishing Company who helped provide us with our layout and an enjoyable day.

To all the merchants, businessmen, and friends for your support, financially and otherwise.

To Sue Bell for the many hours she spent working on ads.

To Gail Swinson who relinquished homeroom gossip sessions to sell annuals.

To Ray Roberts, Jr. for the annual literary contributions.

To Eveline Bell, Rebecca Powell, and Janet Oates for their willing and agile fingers.

To Donald Hare, Pam McCullen, Gerald King, Jenell Sanderson, and Ruth Roberts for their help with the photographs.

To Brenda Tucker, Tommy Parrish, and Doris Joyner who spent time proofreading the pages and compiling the senior statistics.

To all the students for the small as well as the important things you have done to help us with our annual.

To all who helped in any way to make our annual successful, we say thanks and present you with the

REBEL '64

Carol and Steve

"As life would be impossible without the sun, so would our annual without such loyal support." —Roberts

Surely, our annual would not have been possible had it not been for the many merchants and businessmen who contributed so generously. For your faithful and loyal support we would like to say "Thank You".

"Through the sunset of hope,
Like the shades of a dream,
What paradise islands of glory gleam." — Shelly.

When you come to the end of a Perfect Day
And you sit alone with your thought
While the chimes ring out with a carol gay
For the joy that the day has brought.

Do you think what the end of a Perfect Day
Can mean to a tired heart
When the sun goes down with a flaming ray
And the dear friends have to part?
