Published by the Senior Class

In appreciation for all the guidance and co-operation given

MRS. LAVIECE C. OLIVER, who has been our understanding advisor, teacher, and friend for the past four years. Her genuine sense of humor and understanding has encouraged us to work for success. Her efforts to make

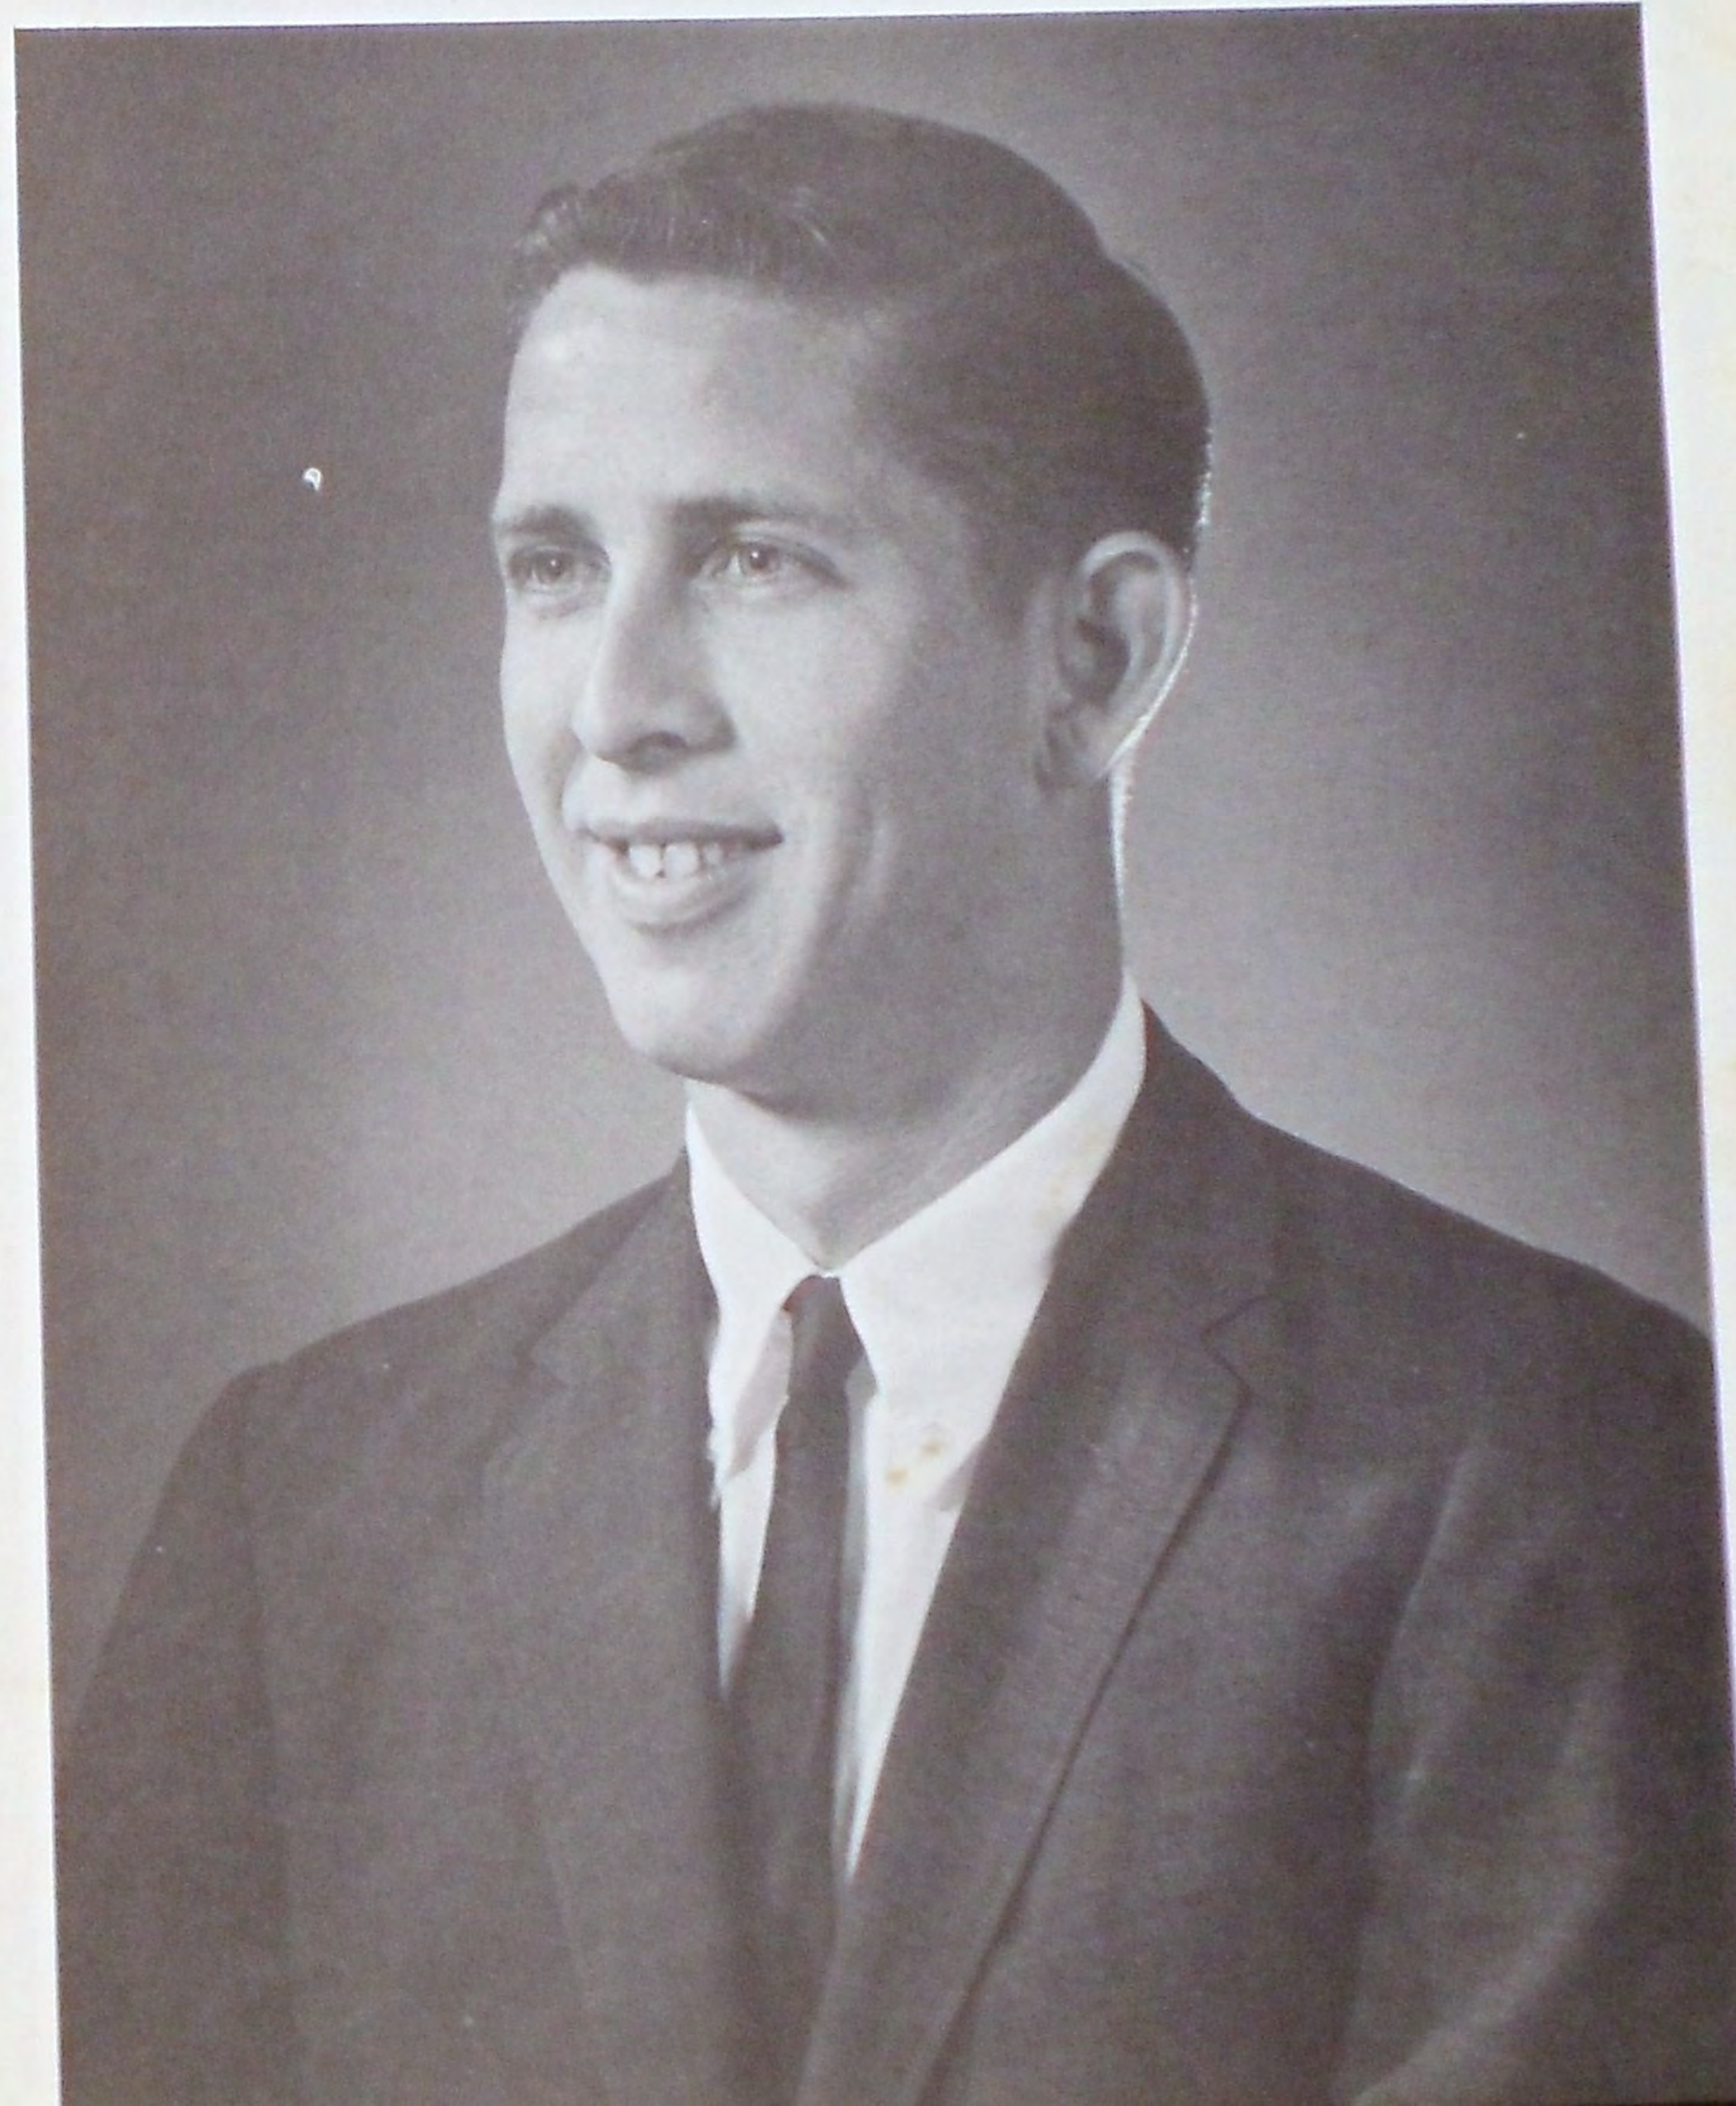

our yearbook a success are to be highly commended. Thank you for all of your efforts for the betterment of our class.

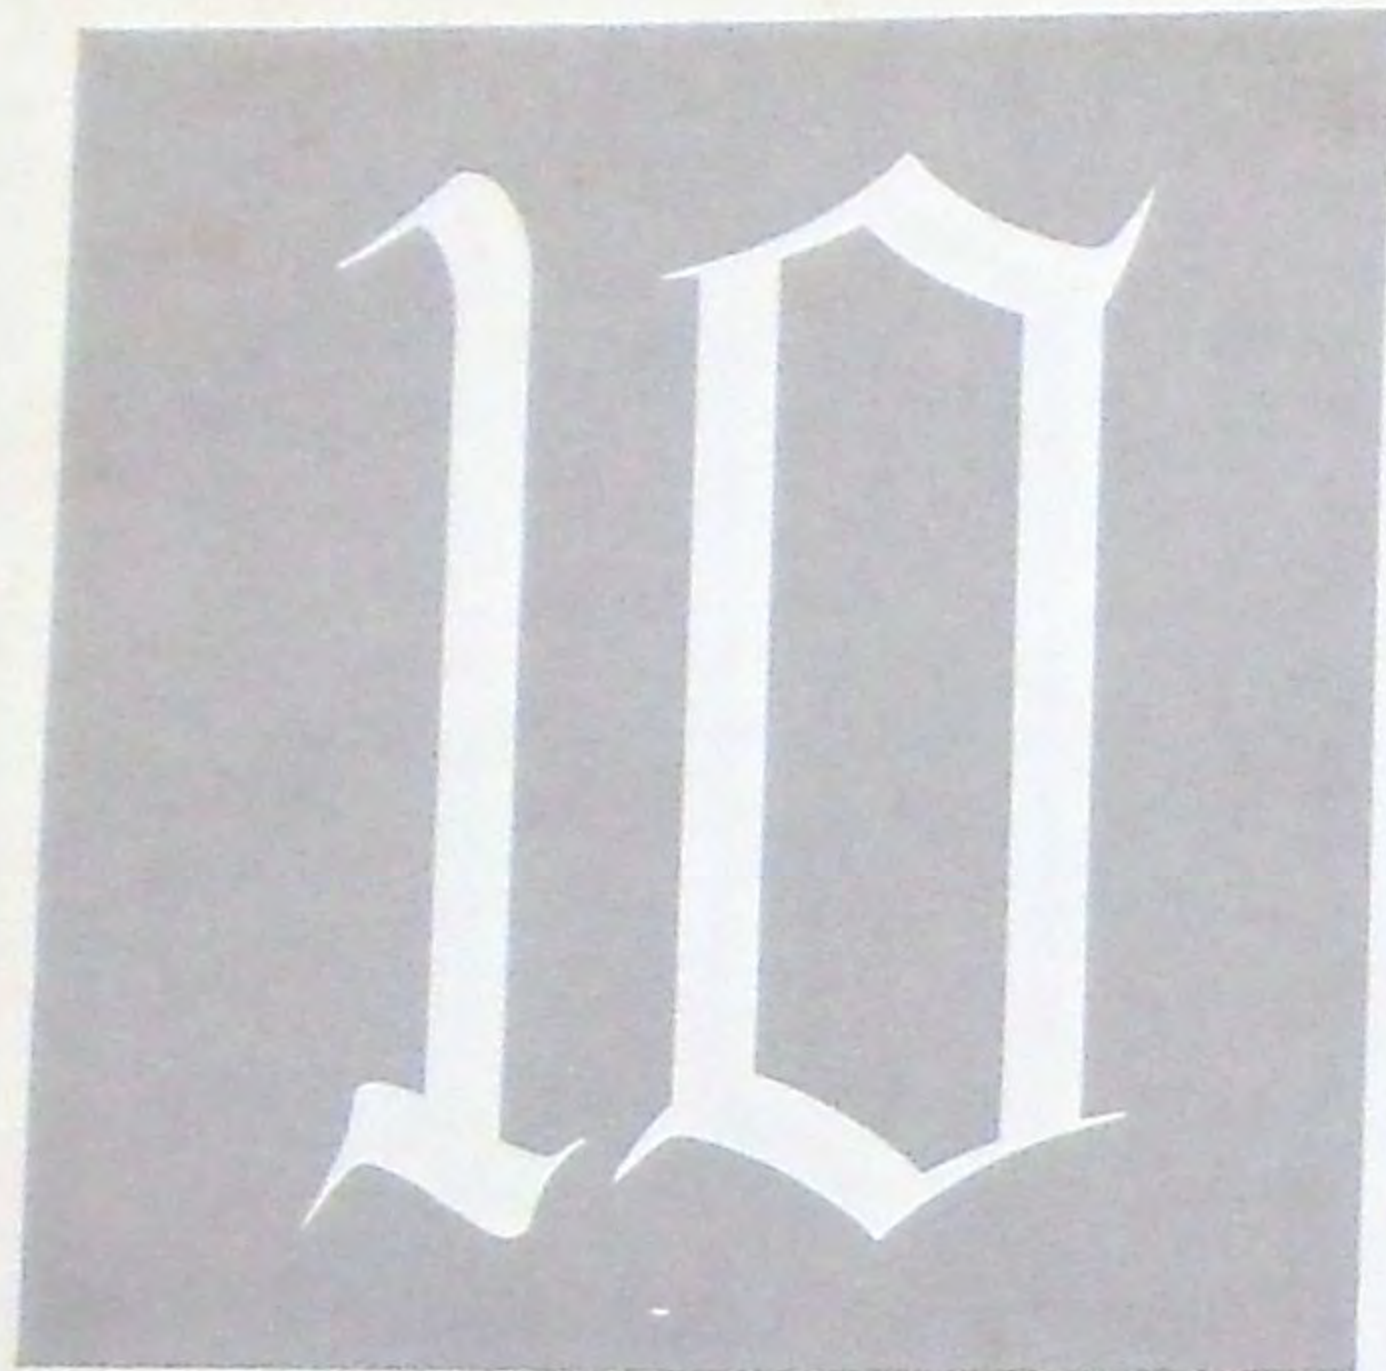

to the class of 1965, we dedicate this edition of the Rebel to:

MR. L. S. GUY, JR., who has been our very faithful and efficient advisor, teacher, coach, and friend for four years. At times our success as a class was doubtful, but with his faith, hard work, and encouragement, we

were able to attain our goals. His faithfulness has helped to make the REBEL an outstanding publication. Thank you for your untiring efforts.

Years . . .

INTRODUCTION

In this edition of the REBEL we have tried to portray ten years of progress at North Duplin.

On January 2, 1956, the students of North Duplin moved into their new building. The cafeteria was completed in October 1957 and in the early spring the agriculture building was added. The athletic field was finished in 1959 by the addition of the baseball field.

January 17, 1964, marked a great event in the progress of North Duplin. This was the opening night of our \$250,000 gymnasium. We are proud of this well equipped building which also serves as an auditorium. There is a bandroom and classroom combination in this large building along with many other rooms.

We now enter the 1965 phase of North Duplin. In this volume we extend our story.

Every senior dreamed of the day when he would receive his class ring as pictured on page 5.

This year the administration and faculty, pages 6-14, have guided us and extended their knowledge to us.

Seniors, pages 15-23, have been the center of life at North Duplin this year. Their student life and activities, pages 24-25, have been filled with hard work, study, pleasure, and school spirit.

To the underclassmen, pages 45-56, we leave our places. We are confident that they will strive to guard the fine ideals and reputation of North Duplin.

As illustrated on pages 57-66, our clubs and organizations have promoted many projects this year.

Our athletic teams, pages 67-88, have worked hard to promote sportsmanship. The season has been filled with action and excitement.

We would like to thank each businessman and merchant for the advertisements, pages 89-113, that they have contributed to us so willingly.

This year has been the most wonderful year of our lives, and although we have prepared to leave North Duplin, our lives are really just beginning. We would like to say thanks to our parents, teachers, and friends for making our education a success.

He who holds the key to mathematics can open the door to the future.

"No more fiction for us; we calculate." —Nietzsche

The business department endeavors to transfer student learning experiences in basic business—economic knowledge, attitudes, appreciations, and skills. A career in business can give you great personal rewards as well as financial support.

"Human work must be lifted out of the realm of emotion and be placed, together with other modern inventiveness, upon a scientific basis." —Society

Curriculum Action

"Reading maketh a full man, conference a ready man, and writing an exact man." —Bacon

"Literature makes life, makes interest, makes importance... and I know no substitute whatever for the force and beauty of its process." —James

"I have found beauty in the dust of life, in men who work in grime of shop and field." —Engle

"One good mother is worth a hundred schoolmasters." —Herbert

"You, O Books, are the golden vessels of the temple... burning lamps to be held ever in the hand." —Bury

"Music is the literature of the heart; it commences where speech ends." —Lamartine

Good guidance leads the way to tomorrow.

Foreign Language is the common tie between races and nationalities, and recognizes no caste.

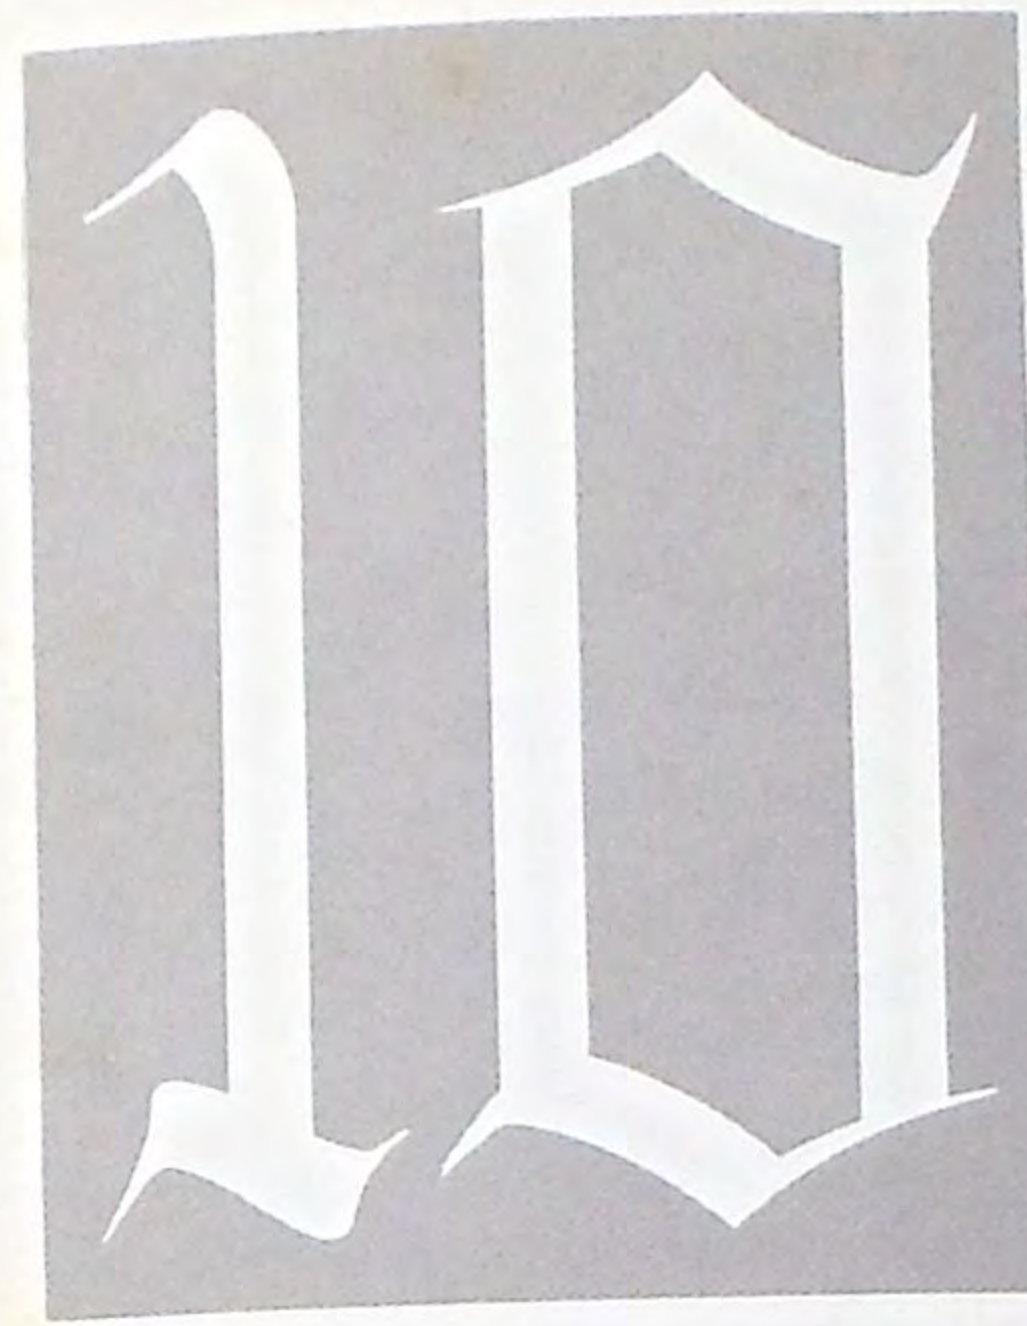

The study of the past and present paves the way for the future.

School Staff

Seniors

Seated, left to right: Mrs. Hallie Adams, Assistant Manager; Mrs. Helen Crow, Manager; Bonnie Smith, Angela Ezzell, Jimmy Howard, Vicky Komegay, McCoy Brock, Lynwood Brock.

Mylie Cromartie

The past ten years have brought about many changes in our school building. Each year the school has become more beautiful and more useful. The passing of each year has brought an improvement to the landscape or brought an additional new building. North Duplin of 1965 is beautiful and is a center of greater educational opportunities.

Just as the school has been improving, we, the seniors, have been undergoing great changes. We have been studying to improve our minds and to prepare ourselves to meet the challenges of life. And we have truly enjoyed the beautiful new school. We shall always cherish the fond memories that will linger with us for the rest of our lives.

Underclassmen

For months after the construction of our new gymnasium began, we anxiously awaited the day that we would begin to practice in it. This attractive building adds much beauty to the exterior of our school as well as filling the needs of our physical education and band departments.

You, the underclassmen, are more fortunate than we since you will have more years to enjoy this latest addition to our school. We beseech you to uphold the outstanding goals of scholarship, leadership, and sportsmanship. It is in your hands to maintain and further improve our fine school.

Organizations

We are proud that our athletic teams have won so many trophies during the past years. We are confident that in seasons to come, many more will be added to our collection. Now we have a beautiful display case in which we can exhibit them.

The athletic teams are not the only ones to win

trophies. Many of our organizations and classes have won honors for our school. They have won trophies, plaques, pennants, and individual medals which are not displayed with sport trophies. We are proud of our outstanding organizations.

Ennis, J. Lambert, J. Flowers, D. Ellis.

Athletics

Beauty is a thing to behold, and convenience is a blessing untold. The new gymnasium gives us both in one package. During the past years our basketball teams have traveled back and forth to practice in the old gyms at Faison and Calypso, and the physical education classes had to meet out of doors. Now it is a pleasure to be able to enjoy the facilities of our new gymnasium.

We work hard each year to improve our teamwork, and we want to have a winning team. But the most important lesson to learn is sportsmanship—not did we win, but how did we play the game?

MISS AMERICAN LEGION REPRESENTATIVE
Sue Carol Coley

Advertisements

Signs are made to advertise, and as we see the impressive new sign in front of our building which adds to the beauty of the school, we are reminded of the fine advertisements that have been placed in our annual.

Without the generous support of the many businessmen, we would not have been able to publish the 1965 REBEL. We thank you.

"Life is a voyage. The winds of life come strong
From every point; yet each will speed thy course along,

If thou with steady hand when tempests blow
Canst keep thy course aright and never once let go."

—Williams

INTRODUCTION

In this edition of the REBEL we have tried to portray ten years of progress at North Duplin.

On January 2, 1956, the students of North Duplin moved into their new building. The cafeteria was completed in October 1957 and in the early spring the agriculture building was added. The athletic field was finished in 1959 by the addition of the baseball field.

January 17, 1964, marked a great event in the progress of North Duplin. This was the opening night of our \$250,000 gymnasium. We are proud of this well equipped building which also serves as an auditorium. There is a bandroom and classroom combination in this large building along with many other rooms.

We now enter the 1965 phase of North Duplin. In this volume we extend our story.

Every senior dreamed of the day when he would receive his class ring as pictured on page 5.

This year the administration and faculty, pages 6-14, have guided us and extended their knowledge to us.

Seniors, pages 15-23, have been the center of life at North Duplin this year. Their student life and activities, pages 24-25, have been filled with hard work, study, pleasure, and school spirit.

To the underclassmen, pages 45-56, we leave our places. We are confident that they will strive to guard the fine ideals and reputation of North Duplin.

As illustrated on pages 57-66, our clubs and organizations have promoted many projects this year.

Our athletic teams, pages 67-88, have worked hard to promote sportsmanship. The season has been filled with action and excitement.

We would like to thank each businessman and merchant for the advertisements, pages 89-113, that they have contributed to us so willingly.

This year has been the most wonderful year of our lives, and although we have prepared to leave North Duplin, our lives are really just beginning. We would like to say thanks to our parents, teachers, and friends for making our education a success.
