Football

"If you touch me I'll scream!"

"Tag, you're it!"

The coolness of autumn inflames the soul with the beginning of football. The team initiates courage and willpower; the coach supplies instructions, and the students yield a soaring spirit. Through rigid training and diligent practice, the Rebels have played many good games this year. Congratulations to a fine ball team and its coaches, Mr. Richard Kaleel and Mr. Kenneth Avent.

As the frosty winds of winter begin to blow, basketball comes in with a cheering, rapturous spirit. The teams, through the leadership of Coach Kaleel and Coach Avent, started this year with exalted determination. The tide of wins and losses has taught the teams to graciously accept success and audaciously submit to defeat. We wish to express felicitations to these eminent teams and their coaches.

Future Farmers of America

The FFA is an intracurricular activity having its origin and root in vocational agriculture. The foundation, upon which the Future Farmers of America organization is built, includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism. No student organization enjoys greater freedom of self-government under the counsel and guidance of Mr. Bobby L. Watson than the Future Farmers of North Duplin High School.

Those who teach are not only the builders of minds, but also the builders of character. The members of the F.T.A. are seeking information about the requirements of becoming good teachers and understanding the duties of being a teacher. Mrs. Carolyn O. Bryan has served as adviser of the F.T.A. and has helped the F.T.A. members discover the key to teaching success. Since every person is a teacher, it is encouraging to note that there are some who wish not only to teach but to become excellent teachers. This is the main objective of the F.T.A.
